## RECOMMENDATION LETTER

TO WHOM SO EVER IT MAY CONCERN

It is my pleasure today to extend my appreciation for the strong partnership that M/S Steel House, S.J Road; Athgaon has forged with us over the past several years. We have been dealing with them for the past fifteen years now and have been a very satisfied customer. They can offer any volume at any point of time as the materials are always available in their godowns. The rates they offer are most competitive in the market.

A terrific and an enthusiastic team of M/S Steel House makes it easier for us to communicate our material requirements.

I am happy to recommend M/S Steel House to others and I look forward to our continued relationship in the years to come.

Yours Sincerely,
